CRASH INVESTIGATION REFRESHER & UPDATE

The Transportation Safety Training Center of Virginia Commonwealth University will conduct two Crash Investigation Update & Refresher courses in 2010. The 2-day training workshop, taught by members of the Virginia Multi-disciplinary Crash Investigation Team, will focus on the following motor vehicle crash investigation and reconstruction topics:

- Foundations of Crash Investigation and Reconstruction
- Documentation and Analysis of Roadway Evidence
- Documentation and Analysis of Vehicle Evidence
- Human Factors Issues
- Technologies for measurement and reconstruction
- Reconstruction Equations: time & distance, accelerations/deceleration, speed formulas and conservation of momentum
- Motorcycle crash investigation issues
- Recent court cases & new legislation

REGISTRATION

This course is free of charge, but is limited to the first 25 students.

Pre-requisite: Students should have successfully completed Fundamentals of Crash Investigation and Reconstruction (TSTC), At-Scene Traffic Crash Investigation (IPTM) or the equivalent.

To register for this course, mail the registration form to the Transportation Safety Training Center, PO Box 843023, Richmond, Va. 23284-3023 or fax it to us at (804) 828-1848. We will confirm enrollment by mail, telephone, fax or email. Online registration is also available at the TSTC website.

The Department of Criminal Justice Services has approved this course for law enforcement in-service training credits.

Transportation, lodging and meals are the responsibility of each student. Classes will begin at the times listed for each session.

For additional information, please contact the Transportation Safety Training Center at (804) 828-6235 or email Dr. Lori Rice at lgrice@vcu.edu.
